1<sup>st</sup> April 2026

Dear Parent/Carer,

### S6 Study Leave - starts Fri 2<sup>nd</sup> April 2026

The Qualifications Scotland exams are scheduled to run between Wed 22<sup>nd</sup> April - Mon 2<sup>nd</sup> June 2026.

To ensure that our young people have the best chance of success in their exams, they are not required to attend timetabled classes during the block of exams.

Young people only need to attend school on the days that they have an exam.

Any young person who would like to come in to school to study or for additional support is very welcome to do so. We will provide them with a quiet space where they are able to study. If your child wishes to come into school to study, or to speak to a teacher, they should be in full school uniform.

There will be revision classes running the day before each exam which we would encourage young people to attend.

Some young people may be invited into school during Study Leave to complete outstanding coursework. If this is required, your child's Pupil Support teacher will contact home.

**When your child has completed their final exam, we need them to return their school iPad, charger, plug and case. They should be handed into the school office, or to Mr McLaughlin (ICT 3).**

If you have any further questions, please don't hesitate to contact me.

Kind regards,

Mrs L Maughan  
Depute Head Teacher  
SQA Co-ordinator
